

Position	Life Support Systems (LSS) Technician
Facility	Denver Zoo
Location	Denver, CO
Job Summary	<p>Denver Zoo is a leader in animal care, wildlife conservation, and education. We are passionate about our commitment to excellence in support of our mission to secure a better world for animals through human understanding. Denver Zoo honors our animals, staff, and guests by conducting ourselves at the highest level of integrity through our Core Actions -- Inspire Awe: Safety, Care, Connect and by embracing our Core Behaviors of: Passion, Respect, Innovation, Diversity, and Excellence in all that we do. Denver Zoo's Maintenance department has an opportunity for a full time Life Support Systems (LSS) Technician to perform all aspects of life support systems including design, construction, maintenance, repair, and installation. Candidates should have knowledge of both open and closed loop water systems, at least two years experience in aquatic life support systems (fresh and salt water), have a Certified Water Professional (CWP) license (or the ability to get certified) and a valid driver's license. Our staff is a dedicated and diverse group of individuals committed to providing quality care to our animals while creating moments of awe for guests. If you are a like-minded individual and thrive in a dynamic, fast paced, and innovative culture, Denver Zoo is the place for you! Completed applications must be submitted by September 6, 2019 Denver Zoo reserves the right to close the position prior to the above date. Denver Zoo is an Equal Opportunity Employer www.denverzoo.org</p>
