

Position	Part-time Aquarist/LSS specialist
Facility	L2 Aquariums
Location	Concord, NC (Bass Pro Shops)/Ft Mill, SC (Cabelas)
Job Summary	We are seeking a motivated individual who is a self-starter and enjoys working alone. Candidate will be responsible for ALL aspects of care for two freshwater aquariums and their associated life support systems.
Essential Functions	Run water chemistries, dive to clean aquariums, backwash filters, repair pumps and filters as needed, prep foods and feed animals, necropsy deceased animals...
Other Duties and Responsibilities	Experience and good hands on working knowledge of life support systems to include sand filters, water pumps, and UV filters.
Knowledge, Skills and Abilities	Knowledge of the taxonomy of freshwater fishes. Experience with quarantine and holding protocols for aquatic animals.
Education & Experienced Required	Degree in Biology, Marine Biology, Aquaculture or related field or relevant work experience.
Licenses and Certifications Required	Valid open water SCUBA
Physical Requirements	Ability to lift and carry 60 lbs. and able to work in Aquarium back areas which requires climbing and crawling under LSS plumbing and tanks.
Working Conditions	Flexible schedule (can work around another job but we are looking for consistent work days)
Salary	\$20-25/hour based on experience
